Experience the Magic . . . at PRCC

Every experience at the River holds some type of magical memory for each of us. The pictures and stories within these pages capture magical moments — frozen in time.

The Wildcat staff has attempted to unfold on the following pages the experiences that made attending PRCC "A Magical Experience" — the friends that were made, the faculty that guided and shaped our minds, and the activities that graced our days. The magical moments that have molded us into who we are today and what we will become tomorrow. Between these pages of this yearbook are the past months of our lives. They can never be altered — The Experiences of Magic at PRCC.

FIRST COMMUNITY COLLEGE

Experiencing the Magic of PRCC

The Pearl River County Board of Supervisors passed a resolution honoring the 1994 Lady Wildcats for becoming the first women's basketball team at PRCC to win a state championship.

Governor Kirk Fordice voices his appreciation for PRCC and its achievements concerning training and industry.

Friends gather outside "The Grill" to chat.

Ronnie McDowell performs at the 1994 Extravaganza.

Tiffany Smith and Margaret Lowery show how close their friendship has grown while at PRCC.

Reviewing the past year's events, we spotlight the magical progress PRCC has made this year. We must not forget the many people that have given of themselves to see this community college, PRCC, grow and excel to the forefront of community colleges in Mississippi.

In 1993-94, many events have taken place and many more are still in their infancy stages as we meet our goals of the new theme PRCC has adopted for the college — "EXPANDING HORIZONS TOGETHER."

PRCC officials are happy to announce that the college continued to experience steady growth and expansion in campus facilities and recorded a number of milestones by students, faculty, and administration.

Last year, final touches were added to the new 550-seat, $1.2 million cafeteria which opened at the beginning of the spring semester.

The opening signaled the completion of Phase I of the cafeteria construction project. The new facility, with an entirely new kitchen and equipment, stands directly behind the 70-year-old cafeteria in Crosby Hall, an official Mississippi landmark.

Phase II of the project will incorporate the student center, counseling offices, the PRCC book store, grill and nurses clinic in the previous cafeteria in Crosby Hall. The cost of Phase II is expected to be $1 million.

At the December meeting of the PRCC Board of Trustees, through its Development Foundation, it was announced that Pearl River was one of only 13 colleges and universities in the nation to receive a $250,000 Endowment Challenge Grant from the U.S. Department of Education, Office of Post Secondary Education.

Alexander also announced Pearl River's role in the Community College Network, CCN, which will link all 15 community colleges here in the state, as well as the University of Mississippi Medical Center and the Mississippi Cooperative Extension Service at Mississippi State University.

Dr. Ted Alexander, President of PRCC and Chair of the 1993 Hour of Accountability, stressed at the "Hour of Accountability" forum that Mississippi's public education is heading in the right direction.

(From left, front row) Wendy Spiers, Danae Dossett, and Layle Knight.

Sunbeam-Oster Company announced that it will start construction of the state-of-the-art manufacturing and distribution facility where PRCC will assist them in securing a pool of qualified workers needed to open the $60 million plant in the Hattiesburg Industrial Park.

Within a few months it is expected that a "Manufacturing Center of Excellence" training center will be located on Pearl River's Forrest County campus. Eventually the center will be used by various industries throughout the region.

Pearl River's Development Foundation raised a little more than $45,000 during its seventh annual River Extravaganza. The PRCC Foundation sponsors the event to raise funds for student scholarships and teacher enhancement grants for equipment and supplies. This year's Extravaganza passed last year's total by $5,000.

PRCC is also embarking on bold initiatives in its Associate Degree Nursing (ADN) program.

"Love Letters"

Two television daytime series stars performed A.R. Gurney's "Love Letters" in Moody Hall Auditorium on the Pearl River Community College campus.

Starring in "Love Letters" were Anthony Herrera, who played the leading role as the villainous James Stenbeck on "As the World Turns" for eight years.

Co-starring was Elaine Princi, formerly Winograd on "Days of Our Lives."Herrara and Princi unfolded their characters' complicated relationship in the award winning drama about two people who remain close friends through a 50-year correspondence. The production featured the two characters reading excerpts from their years of correspondence.

During the play, Herrera and Princi review the greening of their lives — boarding school, holiday, visits, disappointments, fun, bad times, good times, bad marriages, bitterness and joy are charted through letters.

Herrara was born in Wiggins and attended Wiggins High before enrolling at Ole Miss where he became a Sigma Chi. He finished the University of Mississippi with a bachelor's degree in zoology and English literature. He then found his way to New York and spent three years studying acting with Stella Adler.

Both Herrera and Princi have had great success with their careers.

Extravaganza Raises $45,000

Pearl River's Development Foundation raised a little more than $45,000 during the seventh annual River Extravaganza held in April in M.R. White Coliseum.

"It was a great success," said Donna Wilson, Foundation Executive Director. "An event of this magnitude would not be possible without the help of hundreds of dedicated people."

The PRCC Foundation sponsors the event to raise funds for student scholarships and teacher enhancement grants for equipment and supplies.

Country music recording artist Ronnie McDowell performed as a highlight of the Extravaganza. McDowell received a standing ovation after performing his new single "What's It Gonna Take" — an anthem he wrote addressing crime in America.

Fifteen restaurants from Hattiesburg to the Gulf Coast provided food for the 700 patrons who paid $30 a ticket to attend.

Picayune Ford Motors dealer Dub "Paw Paw" Herring of Picayune led the auction assisted by Kelly Sanner of WDAM TV in Hattiesburg. News Anchor Jeff Lawson of WLOX TV in Biloxi was master of ceremonies. Local band Dealer's Choice performed for the opening of the event.

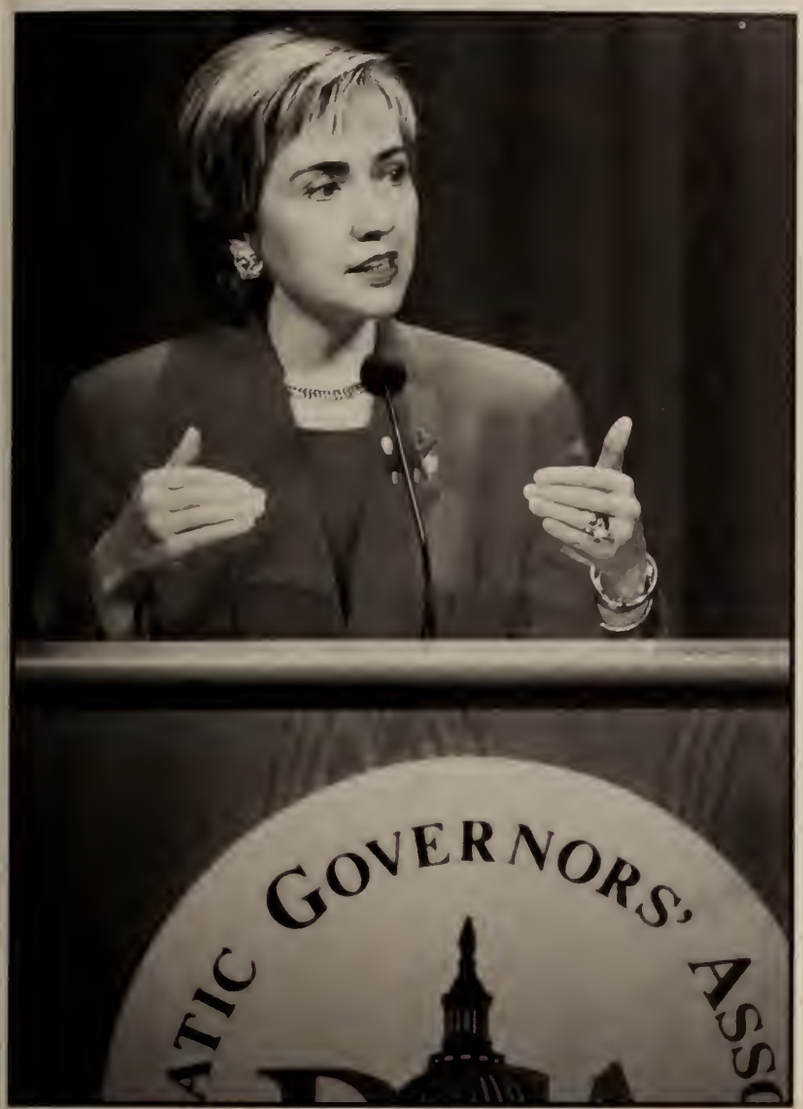
Bill Clinton became the 42nd president of the United States in 1993. The former governor from Arkansas struggled through his first few months in the White House, suffering a defeat for a jobs bill and delays in his health care reform efforts. But by September, the 47-year-old president was a seasoned veteran. His tax reform bill passed, the health care package was being fine-tuned and there was peace in the Mideast.

Al Gore, whose roots run as deep in Washington as in his native Tennessee, became the nation's 45th vice president, bringing an insider's expertise to the Clinton White House. He brought to the job his expertise in environmental and technological issues.

Russia, one of the world's great powers, experienced political upheaval in 1993 when President Boris Yeltsin disbanded the legislature. Citizens were stunned by the sight of fire raging uncontrolled inside the stately parliament building, or "White House," in Moscow.

Right, the Civil War in what was once Yugoslavia moved through its second year at terrible human cost: as many as 200,000 people were dead or missing, including 10 United Nations relief workers who had died by October.

NATIONAL NEWS



Left: First Lady Hillary Rodham Clinton chaired the White House task force that devised the health security plan. The proposal calls for employers to pay 80 percent of their workers' average health-care premiums and workers would pay the rest. Small businesses and low-wage workers would get subsides to help them pay their share.

Lower Left: It was the biggest, wettest story of the summer. The floods that washed across the Midwest may have been the worst in American history. The great flood was the story that most interested Americans in the summer of 1993, with nearly two of three telling pollsters that they followed the story "very closely" — on a par with attention paid in years past to the Persian Gulf War.

Lower Right: Below, forty seconds that shook Los Angeles. At 4:31 on Monday morning, January 17, an earthquake registering 6.6 on the Richter Scale jolted residents of Southern California from their sleep. It was not The Big One, but it left at least 55 people dead, brought down major freeways and destroyed or damaged thousands of homes. The quake caused an estimated $30 billion damage at $700.

Fall Fest — Magic, Food, Folks and Fun!!

The Fall Fest is a special activity sponsored each year by the PRCC counselors. The purpose is to help students and faculty to become aware of the guidance/counseling services available to them. Special entertainment is provided by PRCC students and faculty; everyone always enjoys the food prepared by the cafeteria.

The Magic Of . . .

Registering for classes

can be a scary, but exciting experience. So many decisions and so many choices to choose from all add to the chaos. Should I take morning classes or should I sleep in and take afternoon or night classes? Who are the best or easiest instructors? Can I handle taking more than 15 hours? So many questions to answer, but we made it through and next semester will be much easier. Hats off to our advisors and instructors that brought us through this registration experience.

Mr. and Miss PRCC

David Pruitt and Candi Deen

Candi and David were elected Mr. and Miss Pearl River Community College during campus elections this year. Candi is a sophomore, fashion merchandising major and David is a sophomore, pre-med major. Both are excellent students, strong leaders, and high achievers on PRCC's campus. Candi is a graduate of Sumrall High School. David graduated from Oak Grove High.

Candi Deen — "It feels great to be Miss PRCC. I love this college and I am so happy to represent it. It really means a lot to me, to be thought of as qualified for the title. I am not sure why the students nominated me, but I am glad they did. For the first time in my life, I felt like I had a lot of good friends.

I made a great choice in coming to PRCC. I feel that I have had a good relationship with all of my teachers just by talking to them and asking questions when I needed help. I would like to encourage everyone to make as many friends as possible while you are in college, because the friends you make in college are the ones who become life long friends."

David Pruitt — "It feels great to be Mr. PRCC. It's encouraging to know that people think enough of you to honor you with such a title. It gives me a sense of pride. I think I am a people person.

The teachers that I have come in contact with during my two years at the River have been the kind of people that give all of themselves to their work. They are generally understanding and concerned with the well-being of their students. My advice for success here is to keep a good relationship with your teachers. I know I have gained a lot from their talents and availability. I have enjoyed attending PRCC thoroughly."

We can learn so much about ourselves and others by living in the Dorms. About the only thing that you don't learn is to be Quiet: But you do become closer to each other and dorm students are almost always involved in some sort of activity. Some students are in Band, String of Pearls, Cheerleading, Student Organizations, Team Sports, etc. While others have full loads just being students. The Dorm Life is a unique experience, to say the least. It allows us to grow and experience the magic of maturing.

High Spirited . . . Magic!!!

Wildcats always have a reason to be high in Spirits. Whether they are playing for the school, cheering for teams or just being themselves, the Spirit of PRCC lives on in all our memories. This year our football team was 6-4. We are very proud of them. Spirit is very important. Without it, the team would lack some of their motivation. It is very positive to see students so proud of their school. The Wildcats are an excellent team to support and they are worth it! Many people enjoy experiencing the MAGIC OF HIGH SPIRITING at PRCC! WE'VE GOT THAT SPIRIT!! OH! YEAH!!

Homecoming 1993

Magic in Memories

Pearl River Community College celebrated its 1993 homecoming with a full day of activities Saturday, October 23.

The weather was beautiful. Despite the rain all week prior to the event, the PRCC Wildcats and Copiah-Lincoln Wolves went head-to-head after everyone enjoyed the Homecoming Luncheon, where RiverRoad entertained the crowd.

Candi Deen of Hattiesburg reigned as Queen over this year's festivities. Deen, elected by the student body, was presented at Dobie Holden Stadium at the pre-game ceremony along with her court.

The PRC Drama Productions also performed Neil Simon's "Plaza Suite" in Spring 1994.

PRCC Gets A New Cafeteria

The new 550-seat, $1.2 million cafeteria opened its doors in January as students registered for spring semester classes at Pearl River. Students now have a choice between two serving lines including pizza and burgers, hot entrees, low-fat, low sodium entrees, a salad and a dessert bar, and a filling station for beverages. Phase I of the new cafeteria construction project has been completed. The new facility, with an entirely new kitchen and equipment, stands directly behind the 70-year-old cafeteria in Crosby Hall, an official Mississippi landmark. The new building contains a special events room and a faculty dining room which can seat 150 with both opened, or the rooms can be petitioned off separately to seat 100 and 50 in each. Phase II of the project will incorporate the student center, counseling offices, the PRCC bookstore, grill and nurses clinic in the previous cafeteria in Crosby Hall. The cost of Phase II is expected to be $1 million.

The Magic of Work Study

The work studies at Pearl-River Community College are an intricate part of the college system. The work study program is an excellent opportunity for students to get practical experience and earn money toward their educational expenses. And, of course, every department that has work studies are grateful; because without them and all the work that students accomplish, departments would be in a jam. They would be swamped with an over abundance of work and a lot more stress. We salute all work studies and deem them valuable assets to the college.

Tiffany Smith, Guidance, Recruitment and Orientation work study, takes a breather and a smile at the camera before continuing her typing tasks for the day.

Academics

Experiencing the Magic of Challenges and Successes

Education is Pearl River's top priority. The faculty, staff, and administration at PRCC never forgot their primary function — educating students.

At many colleges instructors must juggle heavy class loads and are often involved in research projects, which means that teaching duties are sometimes left up to graduate assistants.

At PRCC all academic instructors hold at least a master's degree and their only job is to work with students. The students get more individual attention here than at some larger schools.

An academic student, Teena McCraney Stockstill a sophomore English major from Picayune, reflected on here experience at PRCC as, " . . . an experience I will never forget. The instructors have been so wonderful and helpful. PRCC gave me a start that I may have otherwise not had. The classroom setting is small enough to feel comfortable and the school itself holds conservative views as opposed to larger colleges. PRCC has been an experience full of magic."

At the middle left, Eardis Parker, from Picayune, is cutting out a new project assignment in carpentry class. At the left, Anna Deangelo is keeping herself busy.

Technology at its BEST

Students at Pearl River learn the cutting edge of technology through a variety of programs offered at the college's Technology Center. Programs offered include robotics, instrumentation, computer technology, drafting and computer aided drafting, and electronics technology, as well as many business courses such as banking and finance, business technology, child development technology, marketing/ management technology and medical office technology.

Classes are small enough to feel like you are important. The instructors are caring and helpful, but push you to reach your full potential.

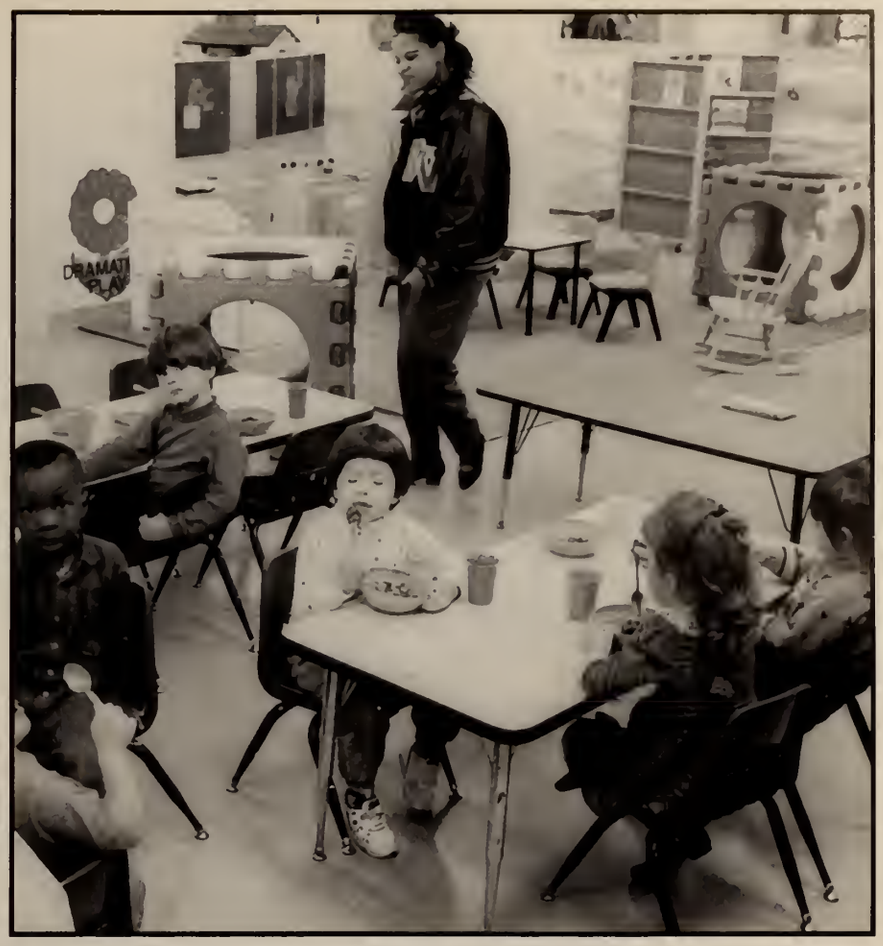
The Magic of Expanding Horizons Together

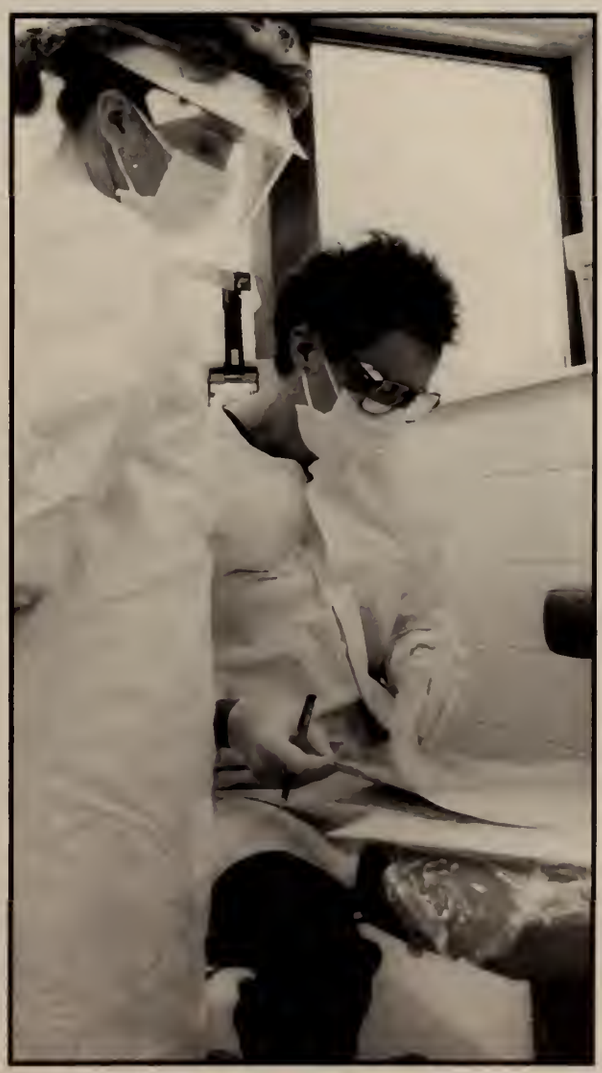
Forrest County's Allied Health Center and Pearl River's Technology Center

Students at the two locations of Pearl River Community College, Poplarville and Hattiesburg campuses, learn new and innovative skills to compete in today and tomorrow's workforce. Pearl River, Mississippi's first community/junior college, recently opened in Hattiesburg the newest and most sophisticated allied health training center in the nation. It feels great to be a part of all of the new developments in technology that are taking place.

PRCC offers courses at the center in dental hygiene, respiratory therapy and physical therapy assisting. In addition, Electronics technology and Business technology are also taught at Hattiesburg's Pearl River campus.

Twenty PRCC students from the Allied Health Center in Hattiesburg are enrolled in the Mississippi Rural Health Corps to improve health care in rural areas of the state.





Top, students in the child development technology program eat while a PRCC child development major tidies up the classroom. Dr. Hill said that patients can receive oral exams, x-rays, cleanings, fluroide treatments, sealants and oral hygiene instructions for a minimal fee of $12.

The Mississippi Association of Student Nurses (MASN), the Organization of Associate Degree Nursing (OADN), and Students Publicizing Activities on the River Campus (SPARC) sponsored this year's annual Blood Drive on campus. All donors received coupons for a Pizza Inn buffet and were also given a collectable mug from the United Blood Services. Qualified individuals were encouraged to donate due to a national blood shortage. PRCC donated a total of 97 pints of blood which was used and distributed by the United Blood Services.

THE MAGIC OF GIVING

The Magic of the Christmas Season

Everyone had a chance to enjoy a little of the Christmas Spirit.

Everyone who participated in the ushering in of the Christmas Season enjoyed themselves and have many fond memories to tell. White Hall and the New Men's Dorm captured first place in dorm decorating during Pearl River Community College's Christmas Competition this year. Pearl River and Marion Halls won first place in the dorm singing competition.

This year's Christmas Celebration was divided into two days. The dorm singing, Christmas Caroling, and the official lighting of the campus Christmas tree. Judging of the dorm decorations and a Christmas dance was also held in celebration of the joyous season.

Dorms competed in male and female categories in both the decorating contests and the singing competition. Marion Hall placed second and the New Women's Dorm placed third in dorm decorating.

In dorm singing, residents of Marion Hall took top honors among the female dorms singing their own rendition of "The Twelve Days of Christmas." Pearl River won first place in the male division with a skit which ended with "We Wish You a Merry Christmas." White Hall, the second place winner in the female dorm singing, sang a creative version titled "I'm Dreaming of a White Hall Christmas." Football players from Lamar Hall won second place in the male dorm singing category with a duet-turned-trio of "Jingle Bells."

Members of Pearl River's Baptist Student Union walked around campus singing Christmas Carols, stopping at each dorm on campus before finishing up at the Christmas tree. President Dr. Ted Alexander delivered a Christmas greeting to students before officially lighting the campus Christmas tree.

The decorating and singing competition was sponsored by the River Navigators, while the dance was jointly sponsored by the Navigators and the Student Government Association. All students enjoyed a little spirit of Christmas. Who wouldn't, especially when you can't be at home with your family and friends?

Older Students Making a Comeback at Pearl River Community College

by Claire Cottrell

Some are fulfilling dreams, others grew tired of futureless, low-paying jobs, and a few were injured on the job and were forced to find a new profession.

They are non-traditional students, the "older folks" on campus. After working other jobs, perhaps starting or fully raising families, and even earning degrees in other fields, the older faces seen around on campus belong to ambitious people who have dared to make positive changes in their lives.

"I lost a son to AIDS," said Poplarville resident Betty Brunner, who is working toward a degree in social work. "I want to be able to deal more with AIDS patients and think I can be a better influence with a professional degree."

For most of these non-traditional students, what they gave up to return to school and maintain their grades to earn their degrees affected both their families and social lives.

Even Alan, two-year-old son of freshman nursing student, Anne Pierce, understands the sacrifices. When asked what Santa was bringing him for Christmas, he said, "Nothing, Mommy's got a test."

"When you're married and in school," said freshman Charles Shedd, "you have to stroke the egos of your spouse and kids before you go study."

"We eat a lot of quick meals," said Pierce. "Our clean clothes come from the laundry basket, because there's no time to fold them."

"Your social realm changes," said freshman Jan Kinabrew. "There's no time to spend with friends anymore, so we don't have the same closeness. When I get excited about school and want to share it, they don't usually understand."

"I handle stress by keeping up with my homework," said Brunner. "Getting behind causes me stress. I have to make certain I schedule time to study and make it top priority."

If these students take so much from their families and give up so much to earn their degrees, why do they stick around?

"I get strong family support," said Mae Wilson, A PRCC student and mother of three. "The whole family has had to pitch in with chores and things. But you know, that's been good for them."

"I don't neglect my church life," said Dana Miller. "I feel like the Lord knows where I am when I'm in church. He got me into school here so I don't think it's fair of me to skip a few hours a week of being with Him and then ask Him to help me on my tests. I'm calm during test time — not nervous a bit."

"It's the same for me," Kinabrew said. "My mother depends on me to get her to church, so that helps ensure that I get there. But I don't believe my grades have suffered because of it. I needed that time to get away from studying for a while."

"My goal helps me here," said Brunner. "I want to benefit both parents and patients."

According to ACT Student Opinion Survey conducted during spring semesters 1990-1993, the percentage of non-traditional students ages 40-61 years and those in the 30-39 age group rose. The "traditional" cohort, that is those students entering PRCC directly from high school, made up about 48 percent of 1993's survey group.

Brunner reflects on her goals

"Non-traditional" also means gender equity in the work force

The term "non-traditional students" is also a reference to students who pursue careers that have predominately been held by members of the opposite sex.

Rose Ingram, Gender Equity Coordinator at PRCC, counsels students, male and female, to pursue whatever career they wish — even if it goes against the grain for tradition.

"Until recently, our world had been segregated occupationally into 'women's work' and 'men's work,' " Ingram said. "Higher paying technical careers have traditionally been deemed men's work, while lower paying service jobs were women's work. This situation limits employment opportunities and financial independence to half the population."

At Pearl River, females have enrolled in drafting, instrumentation, robotics, carpentry and diesel mechanics. Male students are taking nursing, and this year a former football player was enrolled in secretarial courses at PRCC.

SPORTS

Experience The Magic!!!

SPORTS MAGIC

This year in sports, Pearl River Community College had an outstanding record of achievements. Beginning last fall with football through spring with baseball, the Wildcats and Lady Wildcats have been knocking on the championship doors.

The football Wildcats, defending 1992 South Division champs, posted a 6-4 overall ledger and a second place 4-2 division mark. Nineteen Wildcats, including four first team All-State players, picked up post-season honors.

Head coach Willie Coats reported that 13 Wildcats signed scholarships with senior colleges. Fullback Chris Ryan made the first team J.C. Gridwire All-America list. He set PRCC rushing records for 1,245 yard and 16 touchdown.

The Wildcats finished the year by racking up 470 yards in a 35-28 setback to Mississippi Delta, the 1994 NJCCA national champion.

In basketball the Lady Wildcats rewrote the record book by winning the South division and overall state championships. The Lady Wildcats posted a 26-5 record and runner-up position in Region 23.

Coach Polly Kirkland's team cruised through the South competition with a perfect 12-0 mark, also a first at the college. PRCC started the season 0-2.

The Magic that Makes PRCC #1

PRCC 1993-94

Freshman Elaine Powell, the nation's leading scorer, nailed down first team All-America honors to become the third Lady Wildcat chosen to the elite national list over the past seven years.

Sophomore Laveta Willis signed with University of Southern Mississippi.

Richard Mathis's basketball Wildcats made a strong rush in the second half of the season to finish second in the South Division Tournament. In the overall tournament, eventual state champion Northeast beat the Wildcats 97-92. The Wildcats lost in region 23 play to Bossier Parish 64-63.

The Wildcats' overall record was 20-10 including a second place finish in the South and trips to the overall state and Region 23 tournaments. The 20 wins are the most ever by a PRCC team.

Pearl River's baseball team advanced to the state playoffs of the sixth time since 1988. The Wildcats, South Division champs in 1993, finished second in the division to Gulf Coast. However, it was the Wildcats who eliminated the Bulldogs from the state tournament.

Under Jim Nightengale, the Wildcats finished second to Mississippi Delta, losing to the Trojans — on their home field — 3-2 in the championship game. The Wildcats get sweet revenge in Region 23 sending the Trojans home for the summer with an 8-6 victory.

Catcher Greg Guidry hit 13 home runs during the year and was named Region 23 Player of the Year. The Wildcats, 33-25, placed third in the Region 23 National Tournament in Meridian. Guidry, Gabe Ishee, and Derek Savoie made the All-State and All-Region 23 teams.

Pearl River's golf team placed second in state and regional competition of the Mississippi Association of Community/Junior College Division III standings.

Picayune's Brandon Stewart made All-State and All-Region 23 and qualified for national competition set for Lewisburg, North Carolina.

Coach Willie J. Coats

Willie J. Coats completed his third year as Pearl River Community College's head football coach and athletic director.

Coats, who took over on June 1, 1991 to become PRC's sixth coach since 1948, led the Wildcats to 4-2 in South Division and 6-4 Overall.

The Wildcat team set several records with fullback Chris Ryan named to the J.C. Gridwire All-America first team and setting PRCC rushing records for 1,245 yards and 16 touchdowns. Coach Coats is no newcomer to great football teams.

Coats is a graduate of Stonewall High School where he played quarterback and was captain of his team that went undefeated in 1952, 1953 and lost only one game in 1954.

He made the all-star game in 1954 and played in the 1955 Mississippi High School All-Star game and was selected High School Honorable Mention All-American.

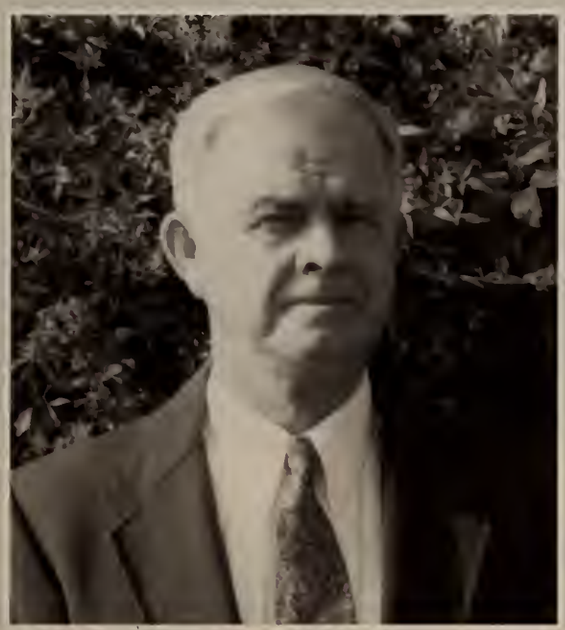
In 1958 Coats played quarterback and defensive back for the University of Southern Mississippi team that went undefeated and was selected Small College National Champions. He also received the Sportsmanship Award for that USM team.

Coats signed a professional baseball contract with the Chicago Cubs and played one year minor league professional baseball with the Cubs in Morristown, Tennessee. The team won the league championship that year.

He played two years of minor league professional football as a defensive back with the Mobile Buccaneers of the Southern Professional Football League.

Coats, who has been selected "Coach of the Year" six times during his career, began as assistant coach at Clara High School in 1960. By 1962 he became head football coach, boys basketball coach and track coach.

In 1962 he was named "Coach of the Year" for girls basketball in the Rebel Conference. In 1964 he earned the same honor for boys basketball.



Coach Coats

Seminary High School selected Coats as its head football and baseball coach and athletic director in 1964 and he remained there until he took a similar position at nearby Lumberton High in 1966.

While at Seminary he was named "Coach of the Year" in football. He stayed at Lumberton until 1970 when he became assistant football coach and offensive coordinator at East Central Junior College in Decatur.

He assisted East Central until 1976 when he became the head football coach and athletic director at Decatur High School. In 1978 he moved on to Quitman High and then to Delta State University in 1981.

His 1978 Decatur team was 11-0, won the East Mississippi Bowl game and was ranked number one in the Small School rankings in the state. He was selected Choctw Conference "Coach of the Year" that same year.

In 1980 at Quitman he was also selected the Sam Dale Conference "Coach of the Year" for track.

At Delta State University, Coats was defensive coordinator and coach of the defensive backs.

In 1984 Hattiesburg High School received a shot in the arm as Coats moved south. He took over the Tigers and was named "Coach of the Year: by the Hattiesburg American in 1985 and 1989.

The 1986 Tigers were 8-3 and winners of the Shrimp Bowl and the 1987 Hattiesburg team recorded an undefeated (10-0) regular season in 5-A play and was rated the best team in Mississippi after the regular season.

Coats recorded an 8-2-1 ledger in 1988 and 11-3 record in 1989. The '89 team won the South State Championship and finished runner-up in the state. Coach Coats has won two out of every three games he has coached.

He and his wife, Lula, are the parents of four children.

Wildcats Post 6-4 Mark in 1993

Pearl River racked up 470 yards against the number-one team in the nation, but it still was not enough to upend the undefeated (10-0) Mississippi Delta Trojans.

Even in the 35-28 setback the 6-4 Wildcats made a point. They are, now were, one of the best teams in the state in 1993.

Delta scored first on a two-yard run by Terrance Staples which culminated an 83-yard, seven play drive. Channing Upchurch kicked the extra point to give the Trojans a 7-0 lead with 5:59 left in the first period.

PRC tied the score early in the second period on a nine-yard run which covered 76-yard in just five plays. The drive included a 57-yard scamper by freshman Jermaine Roberts. Brandon Murray added the point after to tie at seven.

Delta regained the advantage with a two-yard run by Staple, but the Wildcats came right back with Bobby Thaxton capping a 63-yard drive with a five-yard run. Both Upchurch and Murray kicked their respective extra points and the game was tied at the half.

The two teams sparred in the third quarter before PRC shot itself in the foot— twice. The Wildcats fumbled on its own 12 yard-line and three plays later, with 4:21 remaining in the third, quarterback Stewart Patridge scored from the one.

On the very next possession, and with less than a minute gone, Thaxton was intercepted by Delta's Deadrake Epps for a 32-yard score. Upchurch tacked on both point-afters and PRC quickly trailed 28-14.

On the very next series PRC had a punt blocked to set the Trojans up at the PRC 13. But the Wildcats did not fold, stopping the powerful Trojan offense on downs at the six yard line.

Coach Kelly during a Wildcat home game.

A couple series later Thaxton scored on a 40-yard run up the middle. However, Murray's PAT was blocked and the Wildcats trailed 28-20. Delta came storming back with Corey Adams capping a 78-yard drive with a one-yard run.

Delta was in front by a 35-20 decision. With 3:45 left in the game. The Wildcats recovered a fumble at the Trojan 20 yard line. It then took the powerful Chris Ryan only one play to score. Schedrick Rodgers added the two point conversion and the Wildcats were again back in the game, trailing by a 35-28 score.

Murray kicked the ball out of the endzone and the PRC defense held forcing the Trojans to punt from their own 17 yard line.

PRC took the ball at their own 38, but Thaxton was sacked on first down. Ryan picked up nine, but the season ended when Thaxton could not reach Sammy Williams on a fourth and seven play.

Pearl River rushed for 392 yards against a defense that was allowing just 60 per game. Fullback Chris Ryan, playing with a broken right hand, rushed for 49 yards on his very first try, to wind up with 177 yards on 25 carries.

Ryan finished the year with a record setting 1,407 yards, 16 touch-downs, and four two-point conversions. He played with a broken hand two games, but still he only fumbled twice in 224 carries.

During Ryan's two years at PRC he recorded 13 games where he rushed for more than 100 yards. He never picked up less than 81 yards in a contest.

Jermaine Roberts rushed for 73 yards against the Trojans, and Sammy Williams caught three passes for 78 yards.

Wildcats Post 20-10 Record Enroute To Great '94

Wildcats Making Their Mark

The Pearl River Wildcats, under head coach Richard Mathis, had a great 1994 season.

The Wildcats were runner-ups in the South Division and participated in the state and regional tournaments.

The Wildcats, with a 20-10 record overall, fought hard in several show-stopping games that went down to the wire. One such game was the final contest for PRCC in the Region 23 Tournament.

PRCC's Donny Anderson of Columbia, participated in the 17th Mississippi Community/Junior College All-Star basketball game on the campus of Delta State University in Cleveland. Anderson scored five points for the South men's squad as the North All-Stars defeated the South 128-96.

Richard Mathis
Wildcat Basketball Coach

Richard Mathis completed his third year as Pearl River Community College's head basketball coach this year.

Mathis, 46, has amassed an overall record of 289 victories and 109 losses, covering coaching stints at East Mississippi Community College in Booneville and Jacksonville State University in Jasksonville, Alabama.

Earning both his bachelor's and master's degrees from the University of Southern Mississippi, the 1969 USM graduate is a former two-year basketball letterman for the Golden Eagles.

The PRCC coach was voted Gulf South Coach of the Year in 1988, and was Mississippi Association Coaches Men's Coach of the Year in 1982.

Mathis said he expects his future teams to play with a lot of intensity and a lot of desire as the 1993-94 team has done.

Mathis' squad this year was comprised of eight sophomores and seven freshmen.

"I'm really proud of how this bunch never gave up. I'm proud of our players," said Mathis.

The Pearl River Community College Lady Wildcats are a winning team this season.

"It has been a great year," said Lady Cat coach Polly Kirkland. "I'm so proud of this."

The Lady Cats this year captured the south division and the tournament crown. This is the first South State Championship earned by the Lady Cats since 1982.

Kirkland said after one of the games, "I'm so pleased. I'm real pleased with the effort the players made this year. We played hard and hustled. We never stopped."

PRCC's Powell and Willis Named MVP In All-Star Game

Pearl River's Elaine Powell and Laveta Willis from the Lady Wildcat squad made the first team All-State list. Powell added another honor to her trophy case this year when she was selected Division I All-American by the National Junior College Athletic Association.

This was truly exciting and great news for coach Polly Kirkland as Powell is a freshman. In addition, Powell was selected to the Pensacola All-Tournament Team, First Team All-State, All-Region 23 Tournament Team and has been nominated as a Kodak All-American.

LADY WILDCATS

Polly Kirkland

Polly Kirkland completed her seventh year as head coach of the Pearl River Community College Lady Wildcats' basketball team.

Kirkland, a two-time coach in the Mississippi Junior College All-Star game, played basketball at the University of Southern Mississippi and Delta State University.

Kirkland served as graduate assistant at the University of Southern Mississippi. She is an honor graduate of Horn Lake High School.

She has a major in math education and physical education from USM, as well as a master's degree in physical education and athletic administration.

Kirkland comes from a basketball family. Her father, Burney, has been a successful Mississippi high school coach for 32 years, the last five at Scott Central High.

In 1986, Kirkland served as the South Mississippi All-Star coach and in 1987, she was named WDAM TV's Girls' Coach of the year.

When Kirkland arrived as Lady 'Cat head coach in May 1987, she had only a few months to prepare her team for its first winning season in four years. The Lady 'Cats posted a 20-9 record in 1987-88.

That season went into the record book as the first team ever to record 20 wins in one year.

That year, the Lady 'Cats made it to the finals of the Mississippi Junior College South Division Tournament. Kirkland's squad entered the tournament ranked third.

The PRCC record was the most successful since the Lady 'Cats won the 1982 South Division crown over Co-Lin.

Including her overall high school and junior college record, Kirkland amassed a total of 249 wins and 158 losses going into the 1993-94 season. The Lady Wildcats finished strong last year by picking up the runner-up trophy in the Region 23 National Tournament.

In addition to her coaching duties at Pearl River College, Kirkland also teaches math. Her position was advertised as a dual position during the application process in 1987.

Coaching on a junior/community college level has been a desire of Kirkland's for much of her coaching career.

"It has been a long-term goal of mine to coach on the college level," she said. "When this opportunity came open, it was a step up for me."

This year's Lady 'Cats, comprised of four returning sophomores and eight freshmen, will face four tournament classics, four powerful out-of-state teams, and one of the toughest South Division schedules Kirkland has seen here.

"I feel you only become the best by playing the best," she said. "It's been a great year. I'm so proud of the team. We have accomplished a lot."

Lady Wildcats

There is a lot of people that Poplarville and Pearl River County can be proud of and at this time, the Pearl River Community College Lady Wildcats are high on the list.

The Lady Wildcat cagers have done the remarkable this basketball season in winning the South Division championship, state championship and were one step away from advancing to the national junior college tournament before Thursday night's 66-62 loss to rival East Central in the Region 23 tournament.

The Polly Kirkland — coached Lady Wildcats have been in this situation before when last year they advanced all the way to the championship game of the Region 23 tournament, but were ousted by the Co-Lin Lady Wolves 66-60. That loss culminated a 17-12 year for the Lady 'Cats.

Being runner-up in the regional tourney didn't put a damper on the Lady Wildcats as they prepared for this season and it is nearly a given fact that Thursday night's setback won't affect them as they get ready for next year.

This season, Pearl River brought back just two sophomore starters from the team that advanced to the regional title game last season.

Columbia native Laveta Willis, a 5-foot-11 center who signed early with Southern Miss this season, and Lawann Dorsey, a 5-foot-7 guard from Donaldsonville, La., earned starting roles this season.

That left three inexperienced players to fill the other three starting positions.

Kirkland went to Monroe, La., and struck gold with the sister duo of Karen and Elaine Powell. Karen at 5-foot-10 and Elaine at 5-foot-9, along with fellow freshman Coronica Debose (5-foot-6) of Hattiesburg, have been the missing ingredients for a championship season.

Elaine, an All-Region 23 selection play maker in the form of Michael Jordan, is among the nation's top scorers averaging over 27 points per game. She also averaged over 9 rebounds per game and blocked 39 shots this season.

"She usually makes so many things happen," said Kirkland, who just completed her seventh year at Pearl River.

Willis, who also was selected to the All-Region 23 squad, had an outstanding season as well, averaging over 18 points per contest and collecting over 7 rebounds a game, while Karen Powell contributed over 11 points per outing and 8 boards each game.

Dorsey and Debose were also helpful starters, while some reserves also chipped in with needed depth, such as Kristi Russell and Voloria Carpenter of Hattiesburg, and Brooklyn, Miss.'s Daphne Dedeaux.

They all made the '93-'94 season incredible for the Lady Wild Cats.

"We had an awesome season," said Kirkland. "We surpassed the most wins at PRCC by six games (26-5). The previous mark was 20-9 in my first year. We had an undefeated South Division record (13-0), which had never been done before by a PRCC women's team. We won the South Division and state championship, which was also never done before.

"We set a loft of records and I think if we had gotten a chance at the national title we would have done well out there in Tyler, Texas."

Pearl River was an underdog last year in reaching the Region 23 tourney championship, but after reeling off 17 straight wins beginning in early January were the favorite to finally do what no other women's cage team at PRCC has done before — advance to the national tournament.

Kirkland said she knew that Pearl River had the potential to do what they accomplished this season, but the turning point came in the first meeting between the Lady Wildcats and Lady Warriors on January 10 at the Marvin R. White Coliseum.

"When we beat East Central that first time," said Kirkland. "That was definitely a confidence builder."

"At the time, East Central was 14-0 and ranked 14th in the nation and we beat them 105-101 in double overtime. To me that's what got us going. From that point on I think the kids believed that they could beat anyone in Mississippi."

Pearl River went on to beat East Central three more times, including the South Division and State championship games.

During the Christmas break, the Lady Wildcats ventured out to Tyler, Texas to play in a holiday tournament. It was a useful experience according to Kirkland.

"I brought the kids out there to get them ready for nationals, just in case," said Kirkland. "That was the best thing we did to get us prepared for the rest of the season because it's tough, though to play in Texas."

"Tyler was so much like East Central physically that it was the perfect thing to prepare us," added Kirkland. "We beat Murray, Oklahoma during the tournament and that began the 7-game winning streak."

With the success the past two seasons, Kirkland believes it will definitely help in the future.

"The kids that come here are beginning to believe that if you come here they can play on a championship team." said Kirkland.

And championships are definitely on the horizon if the past two cage campaigns are any indication of what is to come for the Lady Wildcats.

The Lady Wildcats Strut Their Stuff

With Lady Wildcat coach, Polly Kirkland, the women's basketball team set new records and accomplished winning the South Division and overall state championships. The Lady Wildcats posted a 26-5 record and runner-up position in the Region 23. It was an exciting and incredible season.

The Magic of Winning

The Lady Wildcats have worked extremely hard this year and it has really paid off. They even earned championship rings to boot.

Under the coaching of Polly Kirkland, the Lady 'Cats are proud of their accomplishments this year: South and Over-All State Championship winners.

Wildcat Style

Jim Nightengale finished his seventh year as head coach of the Pearl River Community College baseball Wildcats.

Over the past six years his Wildcats have won 147 games, lost 111 and advanced to the state playoffs in 1988, '89, '90, '91 and 1993.

The Wildcats won the South Division regular season title last year and hosted the overall state championship tournament.

The 1988 Wildcats were 25-12 and made it to the playoffs for the first time since 1939. In 1989 the Wildcats were 28-16 and were runner-up to the Hinds eagles in the state.

The 1990 club posted a 22-17 ledger while advancing to the state playoffs and in 1991 the 28-18 Wildcats came within one game of winning the overall crown. The 1992 team posted a 20-25 record but still finished third in the South.

In 1993-94 Nightengale's Wildcats were 24-23 overall and 16-6 in the division. That was good enough for Pearl River to win the regular South Division title for the first time since the 1939 state championship team.

A Long Beach native, Nightengale was an all-star baseball and football player in high school, earning all-conference honors in both sports from his sophomore through his senior year.

At Gulf Coast Community College he was a first team All-American baseball player and was also quarterback for the Bulldog football team.

Ironically, he played his last football game here against Pearl River, breaking his hand in the 1981 PRCC homecoming contest. The injury forced Nightengale to miss the remainder of the season.

Nightengale transferred to William Carey College in the fall of 1982 and was an all-district player for the Crusaders when the squad took the 1983 and 1984 District 30 championships.

While at Carey he received his bachelor of science degree as well as a masters in education and social science. He became an assistant at Carey in 1984.

Nightengale is married to the former Sharon Traylor of Poplarville and they have three daughters.

Guidry: Region's Player of the Year

Greg Guidry

Pearl River College catcher Greg Guidry, who also plays third and pitches, has been named the *Player of the Year* on the All-Region 23 junior college baseball team.

Guidry, who hit 13 home runs, is a sophomore from Morgan City, LA. He batted .415 on the year and led the team with 58 runs-batted-in.

Their Wildcats nated to the all-region team included pitcher Gabe Ishee of West Monroe, LA, and Derek Savoie of New Orleans. Ishee finished the year 11-6 and Savoie 11-5.

Guidry, Ishee and Savoie also made the first team 1994 All-State Junior College Baseball Team. Second team selectees included Michey Quinlan of Bay St Louis and Adam Breerwood of Waveland

Pearl River, under coach Jim Nightengale, finished the year 33-25 after starting 4-11. The Wildcats finished second in the state and third in the region.

Nightengale reported this season that at least eight of the Wildcats will sign senior college scholarships.

Pearl River

Pearl River Community College went to the state baseball playoffs for the sixth time since 1988 this year.

The Wildcats upended the Jones Bobcats 9-0 and 8-6 to post a 29-21 overall ledger and 17-7 South Division mark.

The Wildcats will play North Division champion Mississippi Delta, and Gulf Coast played North runner-up East Mississippi in the state tournament on the Mississippi Delta campus in Moorehead.

Pearl River, last year's South Division champions, swept Hinds and Jones this year, but lost two make-up games to East Central.

"We were very close to repeating as division champs," said PRCC head coach Jim Nightengale. "We just could not close out the Warriors here at home."

East Central finished third in the South Division with a 14-10 ledger.

"You start over in the double elimination tournament," said Nightengale. "Anyway, we played Delta four times this year and split with them. We know what to expect."

PRCC was runner-up to Hinds in 1989, but the Wildcats were eliminated before the final game in 1988, 1990 and last year. The Wildcats hosted the overall state tournament last year.

On the mound was PRCC's Gabe Ishee of West Monroe, La. leading most of the season for the Wildcats with an 11-4 record and 1.53 ERA. The sophomore walked 43, struck out 102 and allowed 24 earned runs in 110 innings pitched.

Derek Savoie, a New Orleans sophomore, pitched the second game in the tournament. He was also leading the Wildcats this season with a 9-5 mark with a 2.67 ERA. He pitched 95 innings, allowing 38 earned runs and 90 hits. He struck out 76 batters.

Catcher Greg Guidry leads the Wildcats at the plate with 12 home runs and a .415 batting average. He has 54 hits in 130 at bats and had driven in 55 runs.

Guidry also leads the team in doubles (11), triples (2) and RBI.

The Wildcats, whose 29 wins are the most since the 1986 team that posted 33, lost 10 games during the year by one run.

Under Nightengale, the Wildcats have won 176 games and lost 132. Until Nightengale started coaching the 'Cats, PRCC had not been in the state playoffs since 1939.

David Blank a sophomore from Lake Charles, Louisiana, has overcome a lot this year. The first baseman and pitcher was an inspiration to his team and many other fellow students. During the off-season, Blank was in a severe auto accident that put his baseball career, not to mention his life, in jeopardy. He was not counted upon to return this season, but after Johnny Rutherford was injured for the year and Adam Breerwood was forced to miss the first 20 games of the season, there was no one else to play first base.

"The other guys had six weeks head start," according to Coach Jim Nightengale, "but he stepped up and started playing just because we needed a body for the position of first baseman. I say he probably made the biggest sacrifice of anybody else out here this year."

"I'm just glad people can see me and do better from what I've come back from," said Blank. "I'm just trying to do the best I can."

PTK Regional Conventions

The Phi Theta Kappa Honor Society Attended the following regional conventions: Mississippi-Louisiana Regional at East Central College and Regional conference at MS Gulf Coast College.

Phi Theta Officers include: President, Julia Frierson; Vice-President, Vicky Croswell; and secretary, Tiffany Guidry. The Hallmark Chairmen are the following: Leadership Officer, Teena Stockstill; Service officer, Leslie Donnaud; Fellowship Officer, Stephanie Lumpkin; and Scholarship Officer, Jason Helton.

On Sept. 11-12 of the fall semester, PTK attended the MS-LA Regional Conference. They enjoyed dinner at Water Creek Water Park. There was an introduction of Regional Officers. They then went to ECCC's student center for country dance lessons. The next day, mock chapter meetings were held. PTK members that attended were Robert Jenson, Nathan Reed, Greg Wheat, Leslie Donnaud, and Teena Stockstill. Advisors were Norma Hammill and Ann Moris.

The Regional Conference was held Oct. 31-Nov. 1. Norma Hammill, Mississippi-Louisiana Regional Director, gave the state of the region address.

There was an introduction of Senior College and University representatives. Afterwards, a costume contest between all chapters was held followed by a bonfire on the beach. Pearl River College, Iota Mu Chapter, placed 1st overall for the Chapter costume contest. All members that attended participated in the costume contest, including advisors.

The next day consisted of the Honors Theme Skits and an award luncheon. PTK members that attended were Leslie Donnaud, Julia Frierson, Robert Jenson, Stephanie Lumpkin, Arnold Rutledge, Teena Stockstill, and Greg Wheat.

Phi Theta Experiences Magic

Phi theta Kappa, this past April, had the opportunity to attend the 76th anniversary National Convention, which was held in California. They met with over 2000 PTK members and Alumni from U.S. and Canada. the chapters from California did a wonderful job planning the activities. The students attended workshops and classes to enhance Leadership abilities and self esteem. It was a great learning experience.

In the midst of all the learning they did find time to have some fun. they visited Disneyland, Beverly Hills, Rodeo Drive, Hard Rock Cafe, the beaches, and Planet Hollywood.

Members that were able to attend were: Leslie Donnaud and Teena Stockstill, academic students; Julia Frierson and Wesley Goode, Technical students. Advisors that attended were Norma Hammill and Ann Morris. PTK was challenged to expand their intellectual horizons. The convention provided recognition for honor students of two-year colleges.

Student Government Association

Members — Pearl River Community College's Student Government Association

Members of Pearl River Community College's Student Government Association include (seated from left) Jennifer Lucas, sophomore class president from Petal; Sherry Powell, SGA vice president from Picayune; Tiffany Guidry, SGA president from Poplarville; Donna Parker, SGA secretary from Purvis; and Tommy Carroll, freshman class president from Poplarville. Standing from left: Candi Deen, sophomore vice president from Hattiesburg; Teena Stockstill, sophomore representative from Picayune; Leslie Donnaud, sophomore representative from McNeill; Kelli Roane, freshman representative from Hattiesburg; Letricia Dufrene, freshman representative from Poplarville; Julie Lagasse, freshman vice president from Bay St. Louis; and Dr. Miller Hammill, Dean of Student Affairs and SGA advisor.

Freshman Student Government Association

The Student body has elected students as members of the 1993-1994 Student Government Association Executive Committee at PRCC. The purpose of this organization s to plan and promote extra-curricular activities (working with the Director of Student Activities, Harvey Seligman) for PRCC students. The SGA also assists in developing and maintaining school spirit throughout the year. Other purposes include to promote, create, and help maintain standards of good citizenship.

Sophomore Student Government Association

"We have an excellent group of students that have been selected to represent our student body this year and they are a very important and helpful organization on our campus," stated Dr. Miller Hammill, Dean of Student Affairs and SGA advisor. The SGA meets the first and third Wednesday morning of each month at 7:15 a.m. in the cafeteria.

MASN — Taking clothes to needy people

Students and faculty helped Pearl River's chapter of MASN give warmth for Christmas this year. Items collected included children's coats (all sizes).

Also, to help others, students and faculty were encouraged to donate socks (men's or women's), knitted caps, toiletries (such as combs, brushes, deodorant, after shave, toothbrushes, toothpaste, etc.).

Some donations were wrapped with the donor's name on the gift tag. (This was optional and up to the giver.)

The Life Improvement Center is always buzzing. All adult students are welcome. That means — EVERYONE!!! The center offers assisting with personal problems, financial aid assistance and program counseling. Linda Glasscock, adult services coordinator, and Rose Ingram, gender equity coordinator, are always available to help and are located in Hancock Hall.

"Come my friend . . . 'tis not too late to seek a better world" is the theme for the PRCC Life Improvement Center.

Students Offering Support

A Cut Above — Bringing Food, Clothing and Many Other Helpful Services to Fellow Students

The Students Offering Support collect food, clothing and other items (including scholarships) to fellow students who may need a little something to get them through out each semester. So many times, the students are on their last dime. Most people have experienced this panic at least once or twice while they are in school.

Students Offering Support helps to take these burdens off the students' minds (the necessary problems of everyday life) and allows them to concentrate more on school.

It is nice to know that there is a place and a group of people that care when you have a problem.

Afro-American Cultural Society

Brings Spectacular Performances to PRCC

The Afro-American Cultural society held its 1993 Talent and Fashion Show November 2 in Moody Hall Auditorium. Aisha Mitchell and Hosea Oatis were the mistress and master of ceremonies.

The AACS choir did a magnetic acapella rendition of "The Old Rugged Cross". James Hinton and Chandler Burell gave a surprise performance of DRS's "Gangsta Lean". Paulette Pearson, a freshman from Hattiesburg, shocked the crowd with a stunning first place performance of "Swing Low Sweet Chariot." Nicole Richardson sang a beautiful version of "Making a Way". Aisha Mitchell rendered a uplifting version of "He is Real".

In the fashion category, Temeika Murphy placed third, Yetter Oatis placed second and Noralace "Lisa" Bates placed first. The winners of the talent contest included James Hinton and Chandler Burell, placing third; KFH (singing XScape's Understanding), placing second; and Paulette Pearson singing "Swing Low Sweet Chariot," Placing first.

Advisors of the Cultural Society Club are Gwen Pugh and Dorothy Jordan. Hinton is president, Bates is choir director and Oatis is the pianist.

Phi Theta Spring Initiation

Thirty new members were initiated in Iota Mu chapter of Phi Theta Kappa for the Spring semester at Pearl River during a formal ceremony. "Phi Theta Kappa offers an opportunity to travel, to experience new ideas, to develop leadership skills and to make new friends," said Norma Hammill, an advisor.

Hammill said she is confident these members will carry on in even a greater way the great tradition of accomplishment already begun. Hammill is the Microbiology instructor at Pearl River. This year she received the ETA Omega Margaret Mosal award as part of the 1993 MS/LA Regional Phi Theta Kappa Convention's Founder's day celebration in Gulfport.

New members inducted include: Stacey Britton, Jonathan Carter, Lynn Cavataio, Alice Chambliss, Lori Daley, Christy Gamble, Barbara Gholar, Wesley Goode, Angela Hartfield, Selena Hartfield, Stephanie Hartfield, Reva Hodnett, Tamela Hyland, Mary Mendel, Cynthia Penton, Donna Rider, Jeffrey Robbins, Patricia Rouse, Michelle Ryals, Alysia Salser, Charles Shedd, Christina Smith, Melanie Smith, Robert Sprehe, Deborah Thigpen, Amanda Williamson, Bridgette Yargo, Kendall Young, Kimberly Young and Brennan Grant.

Phi Theta Kappa has provided opportunities for Scholarship, recognition, and enrichment since 1918. Academic excellence is the primary hallmark of Phi Theta Kappa. Membership is extended by invitation only. To be considered, a student must: (1) be enrolled in a regionally accredited institution offering an associate degree program; (2) have completed at least 12 hours of course work; (3) established grade point average of 3.5 and above; (4) have established a record of academic excellence as judged by the faculty; and (5) be of good character and possess recognized qualities of citizenship.

Pearl River Community College's Hour Accountability Students

Mississippi's public education is moving in the right direction, but the state is not getting ahead because other states are moving just as fast. The "Hour of Accountability" forum was held at the Jackson Municipal Auditorium. It was hosted by the MS Community College Foundation. Nearly 2000 educators, business leaders, community college students and state elected officials were on hand for the second annual event.

PRC President Ted Alexander, the 1993 chair of the Hour of Accountability, said the 15 MS community colleges are trying to win grants to install telecommunications equipment on campuses and at hospitals throughout the state.

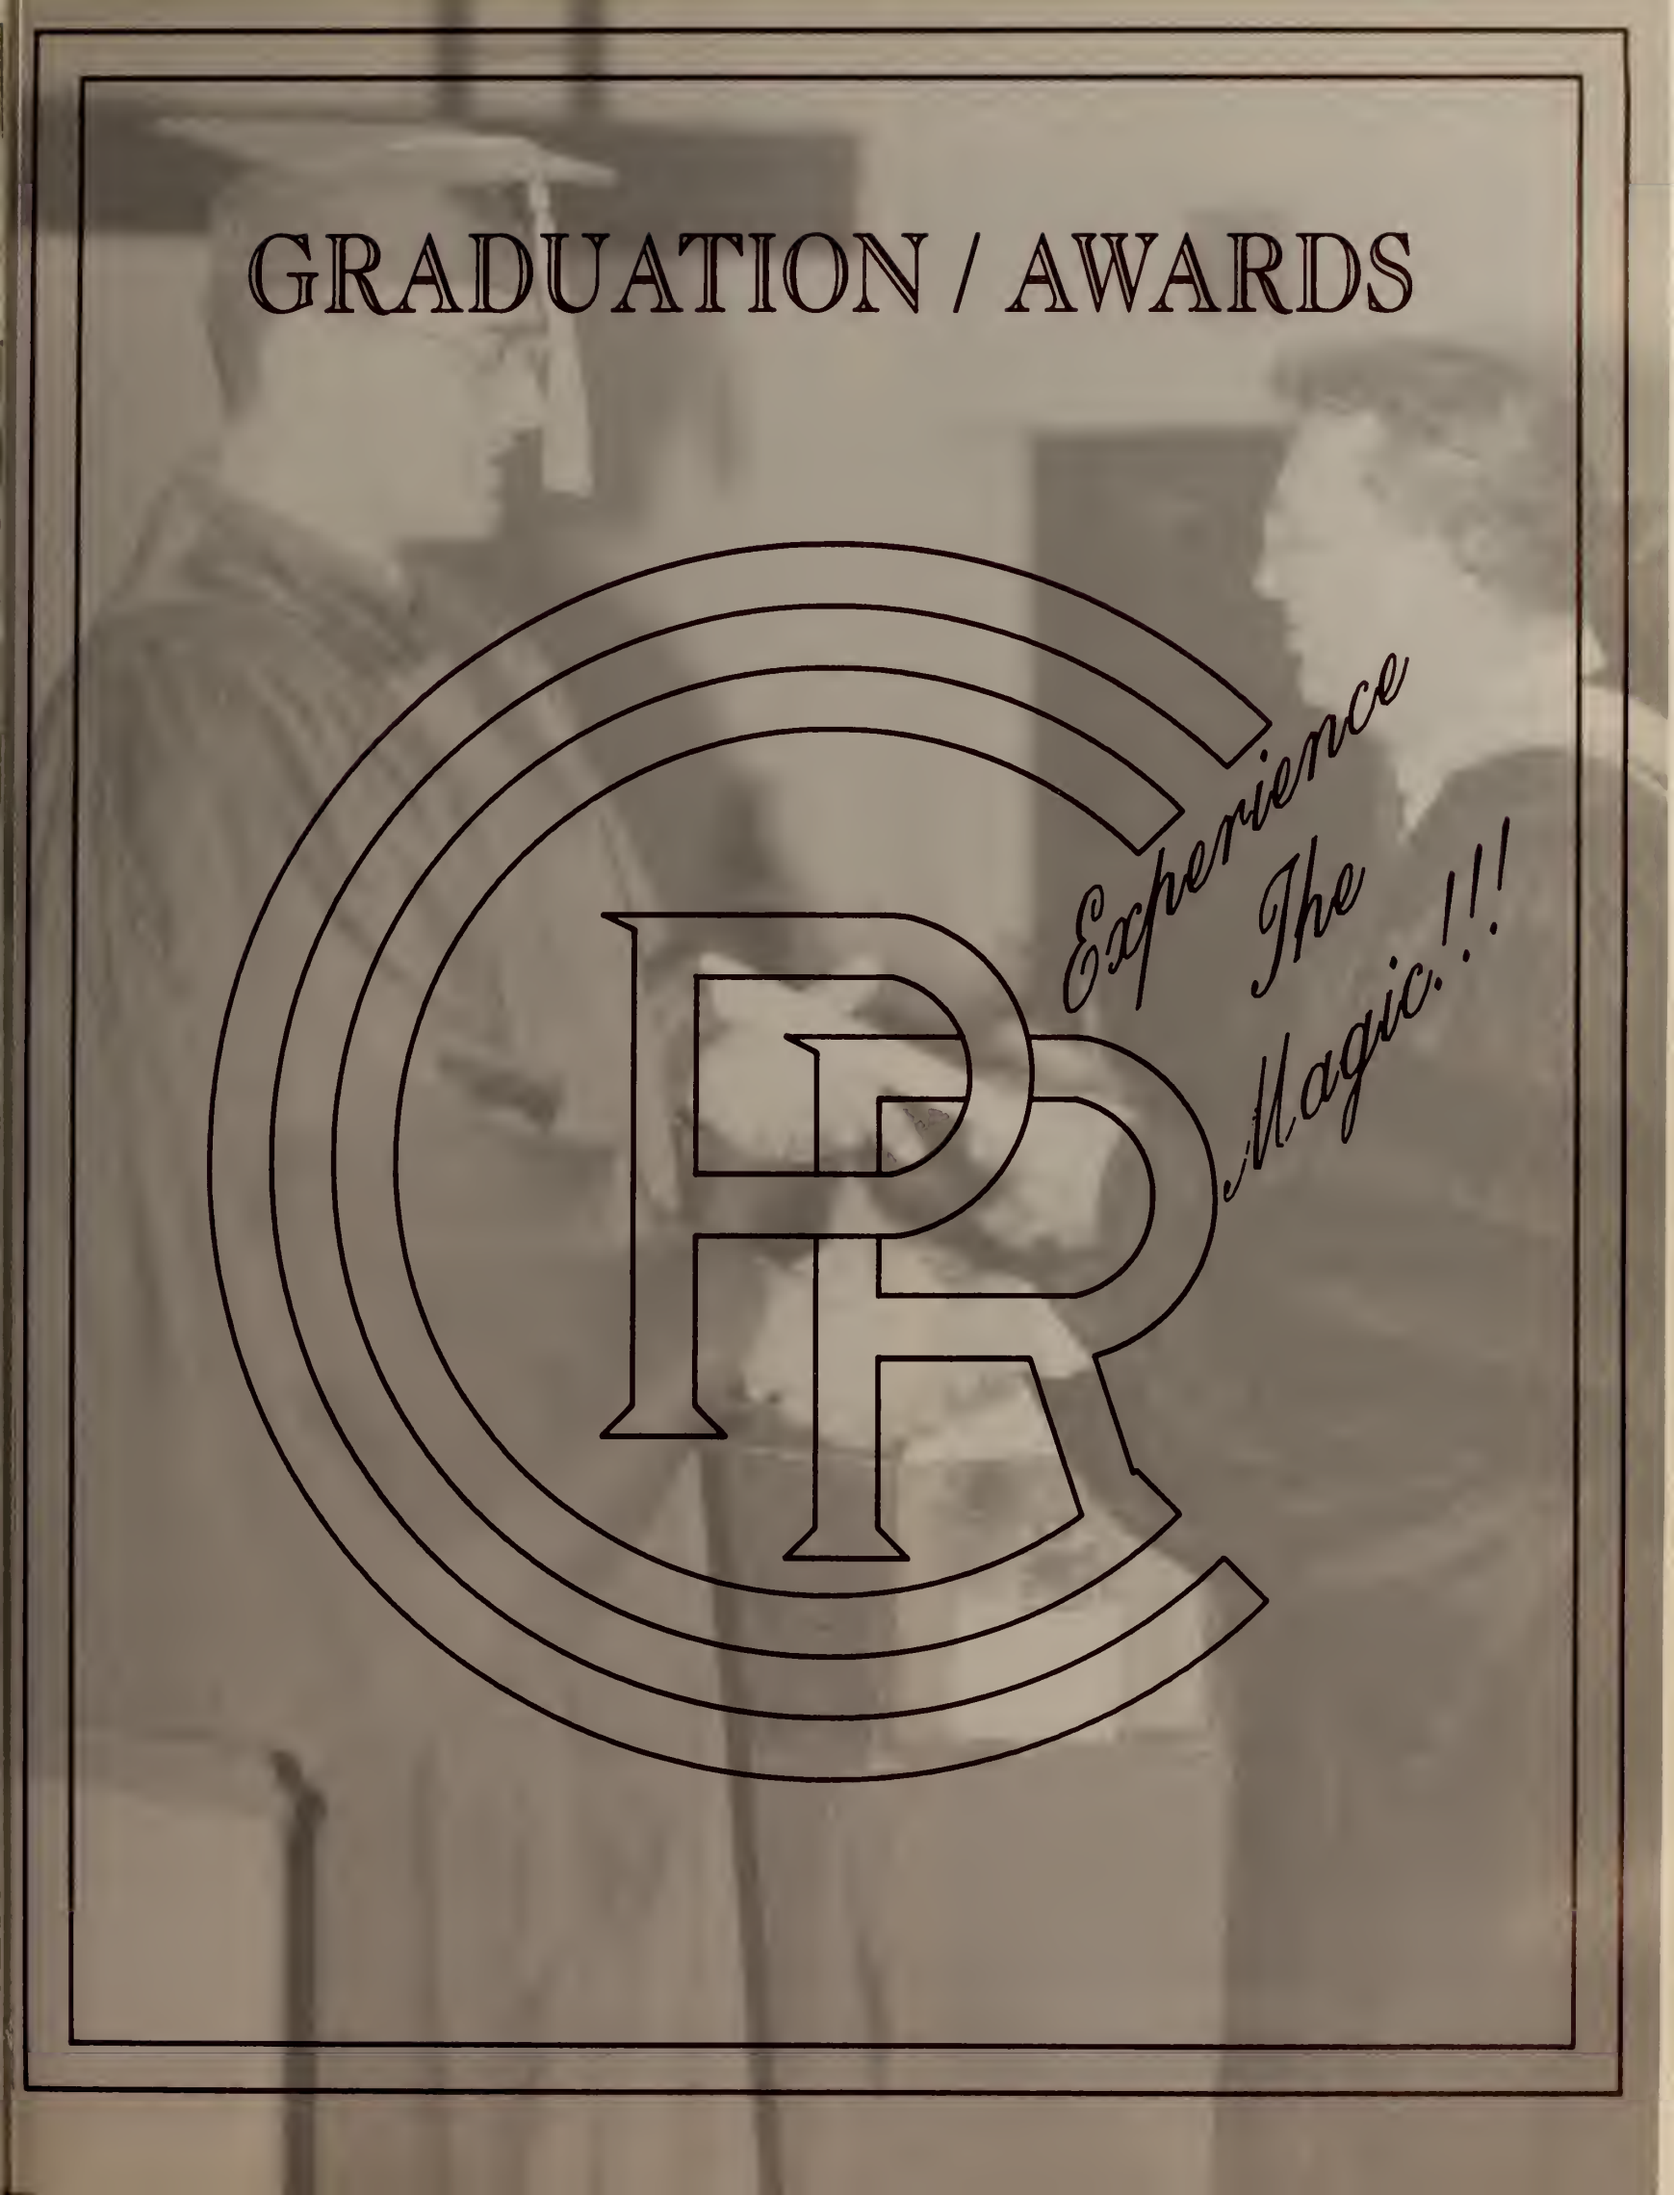
GRADUATION / AWARDS



Graduation

The Magic of Success

Pearl River Community College graduated 548 students in two ceremonies during its 84th commencement Friday, May 13, in the M. R. White Coliseum.

Graduates of PRCC's Associate Degree Nursing program participated in a formal pinning ceremony earlier in the day. A total 78 students graduated from the nursing program.

Top graduates from the academic and vocational-technical divisions gave the ceremonial speeches. Speakers include: Patsy Fleming, an accounting major from Picayune, spoke on behalf of academic graduates; Jean Fedoroff of Poplarville represented graduates of PRCC's Associate Degree Nursing program; Gregg Wheat of Poplarville gave the invocation, and Shelby Lynn Harriel of Poplarville delivered the benediction for the academic ceremony; Jerry Ann Seals of Poplarville spoke for technical graduates during the second ceremony for vocational-technical division; Ruth Ann Smith, a graduate of practical nursing, spoke for vocational students; David Barron of Lumberton represented graduates from PRCC's Allied Health Center in Hattiesburg; and Angela Stafford of Picayune gave the invocation for the vocational-technical graduation, while Gregory Keyes of Prentiss gave the benediction.

Students and faculty share the exciting moments together.

Graduates Address Academic Class

PATSY FLEMING

Patsy Fleming, an accounting major from Picayune, spoke on behalf of academic graduates. She received the 1994 Junior College Achievement Scholarship to the University of Southern Mississippi, and the Outstanding Achievement Award in Accounting at PRCC. Fleming, a 1976 honor graduate of Picayune Memorial High School, is married and has two daughters.

Some of Flemings statements made during her address to graduates includes: "The faculty at Pearl River give real meaning to words such as knowledge, wisdom, kindness, concern, and compassion. The faculty is an ever flowing fountain of knowledge for which a student may thirst. The Bible teaches us to 'seek and ye shall find.' I believe a student can do just that at Pearl River.

When I first began my education at Pearl River, it was a comfort to me to see the number of non-traditional students attending college. . . . as I have journeyed through the past two year, many sacrifices have been made. The most important one that I sometimes failed to recognize was the sacrifices made by my family.

As we leave, we will take with us many fond memories and shared friendships that we will cherish for many years to come.

Thank you and may God bless each of you.

Left, students attentively listen to Dr. Alexander's address to the graduating class.

Jean Fedoroff of Poplarville represented graduates of PRCC's Associate Degree Nursing program. Fedoroff, who is married and has two children, enrolled at PRCC after a 24-year absence from school. She was selected Outstanding Sophomore Nursing Student at PRCC for 1994. She will be employed by Mercy/Baptist Hospital in New Orleans.

Addressing her fellow graduates, Federoff said, "As students we sometimes have so many demands placed on us that we wonder how we will ever get through our tasks. For some, there are so many roles to play — that of student, parent, husband, or wife — and somehow we are expected to meet the demands of all these roles; but as is evidenced here today in all of these graduates, we have met those demands and the struggles have made us better people.

Some of us here today will leave Pearl River and join the work force and for some of us, Pearl River has been our foundation for continuing education. Regardless of your chosen field of study, I know that each graduate here today will have a good beginning for whatever their future holds.

From each of you (my instructors) I have gained wisdom and encouragement. And . . . (my nursing instructors) You have been my extended family for two years. You have pushed me when I needed it and been there for reassurance when I was full of self-doubt. Thank you for caring and giving of yourselves. It has certainly enriched my life (attending PRCC) and made possible many opportunities."

Above, Janna Rayborn receives her degree in nursing from President of PRCC, Dr. Ted Alexander.

JEAN FEDOROFF

"The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with strong and active faith." — Franklin Delano Roosevelt

Experiencing Success

DAVID BARRON

David Barron of Lumberton represented graduates from PRCC's Allied Health Center in Hattiesburg. He received his associate's degree from the physicaltherpaist assistant program. He is married and has three children, and is a graduate of Lumberton High School.

When Barron addressed the graduating class concerning "What Pearl River Community College means to him," he responded with some of the following statements.

". . . Pearl River Community College has always been a part of my life. As a small child, I remember following dutifully along behind my grandfather, who as a retired janitor, spent his last working years mopping and buffing these hallowed halls at Pearl River Junior College. He was a great baseball fan and he could talk for hours about Pearl River baseball.

As a mater-of-fact, the first college football game I ever saw in person, was from those old concrete bleachers which now adorn the sidelines of the football practice field.

I wanted a career which would be exciting, growing, challenging, and financially rewarding. I wanted a career in Physical Therapy.

I will leave these graduation proceedings not only with apiece of paper and a few well meant hand-shakes. I will leave with a new life, a new job, a new, exciting career, and a new hope for myself and my family. I am now armed with knowledge which will bring real security and prosperity into our home for years to come."

"Each of these graduating students from Pearl River Community College's Technical (and other) programs have been given the tools which they will need in order to live and enjoy a successful life-style.

In American where jobs are disappearing in droves, all of these Pearl River (Technical) programs are finding fertile soil in the dynamic medical industries.

Because of its longstanding commitment to quality and affordable education, Pearl River has long been producing professionals who are ready and able to meet the employment demands of the day." —David Barron

Right, students sit patiently contemplating speeches heard at the graduation ceremonies.

Students and faculty are both sad and happy at the same time during graduation ceremonies. As Shakespeare once wrote, "Parting is such sweet sorrow." This statement exemplifies how both felt. The instructors have impacted students' lives and students have impacted instructors lives. The very best is wished for those who are setting out into the world to make their mark.

"In some way, large or small, Pearl River Community College has touched the lives of us all. Whether it be through its academic Liberal Arts program which is preparing young minds for our State's Senior Colleges, or its vocational education, preparing men and women to face the challenges of our community's and world's industries, or its Technical education program, preparing our medical communities for the challenges of the ever-changing medical environment, Pearl River Community College has impacted all our lives. It has impacted our communities. . . (PRCC) carries distinct meaning for all of us in our own individual ways." —David Barron.

Graduates Address Vo-Tech Class

JERRY ANN SEALS

Below, two graduates look toward the crowd as photographer, Robert Shamp, snaps their picture.

Jerry Ann Seals of Poplarville spoke for technical graduates during the second ceremony for vocational-technical division. Seals, a 1965 Poplarville High School graduate, is also a mother and wife. While at PRCC, she was selected Who's Who Among American Community College Students, received the Outstanding Student Award in Child Development, and was a member of the Phi Theta Kappa honor society.

Seals addressed the audience of graduates with several key points of interest. Some highlights include: "(Graduates) You are looking at living proof that prayers are still answered and that dreams can come true.

To make a dream come true, you must be willing to make many sacrifices. It is by no means easy but it is certainly worthwhile.

There is no way I could have accomplished this goal by my self and I am deeply indebted to so many people that helped me fulfill my dream." Seals thanks God, her husband, her son, her step-daughters, relatives, friends, faculty members (especially the Child Development Department), fellow students, and the "wonderful children in the Child Development Lab School"). "During the past two years, (these children) have educated me in more ways than you can ever imagine!"

". . . if I can be a positive role model and influence the lives, hearts and minds of just a few of those precious little children out there, my dream really will have come true. I would like for each of you (graduates) . . . to take hold of your dreams, set your goals, work toward those goals, and see all of your dreams come true."

Ruth Ann Smith, a graduate in practical nursing, spoke for vocational students at graduation. At, PRCC, she has been named to the President's and Dean's lists and was selected Who's Who Among American Community College Students. Smith is employed as the continuing quality improvement data manager at Pine Grove Recovery Center in Hattiesburg. She has two children, and is enrolled also in the associate degree nursing program at PRCC.

Smith addresses the graduating class first with, "WELL-WE DID IT!" Later she states, "For most of us this experience has been more than just a way to get a job, more than a means to an end. It has been a quest to prove to ourselves we could, to reinforce our belief in ourselves.

This accomplishment makes up for the times in the past when we thought we failed and for all the times we gave up before the finish. We can now proudly join the ranks of the successful . . . We have achieved, we are achievers. 'Claim the Victory now.' "

RUTH ANN SMITH

Greg Wheat of Poplarville accepts with great pride his diploma from Dr. Ted Alexander.

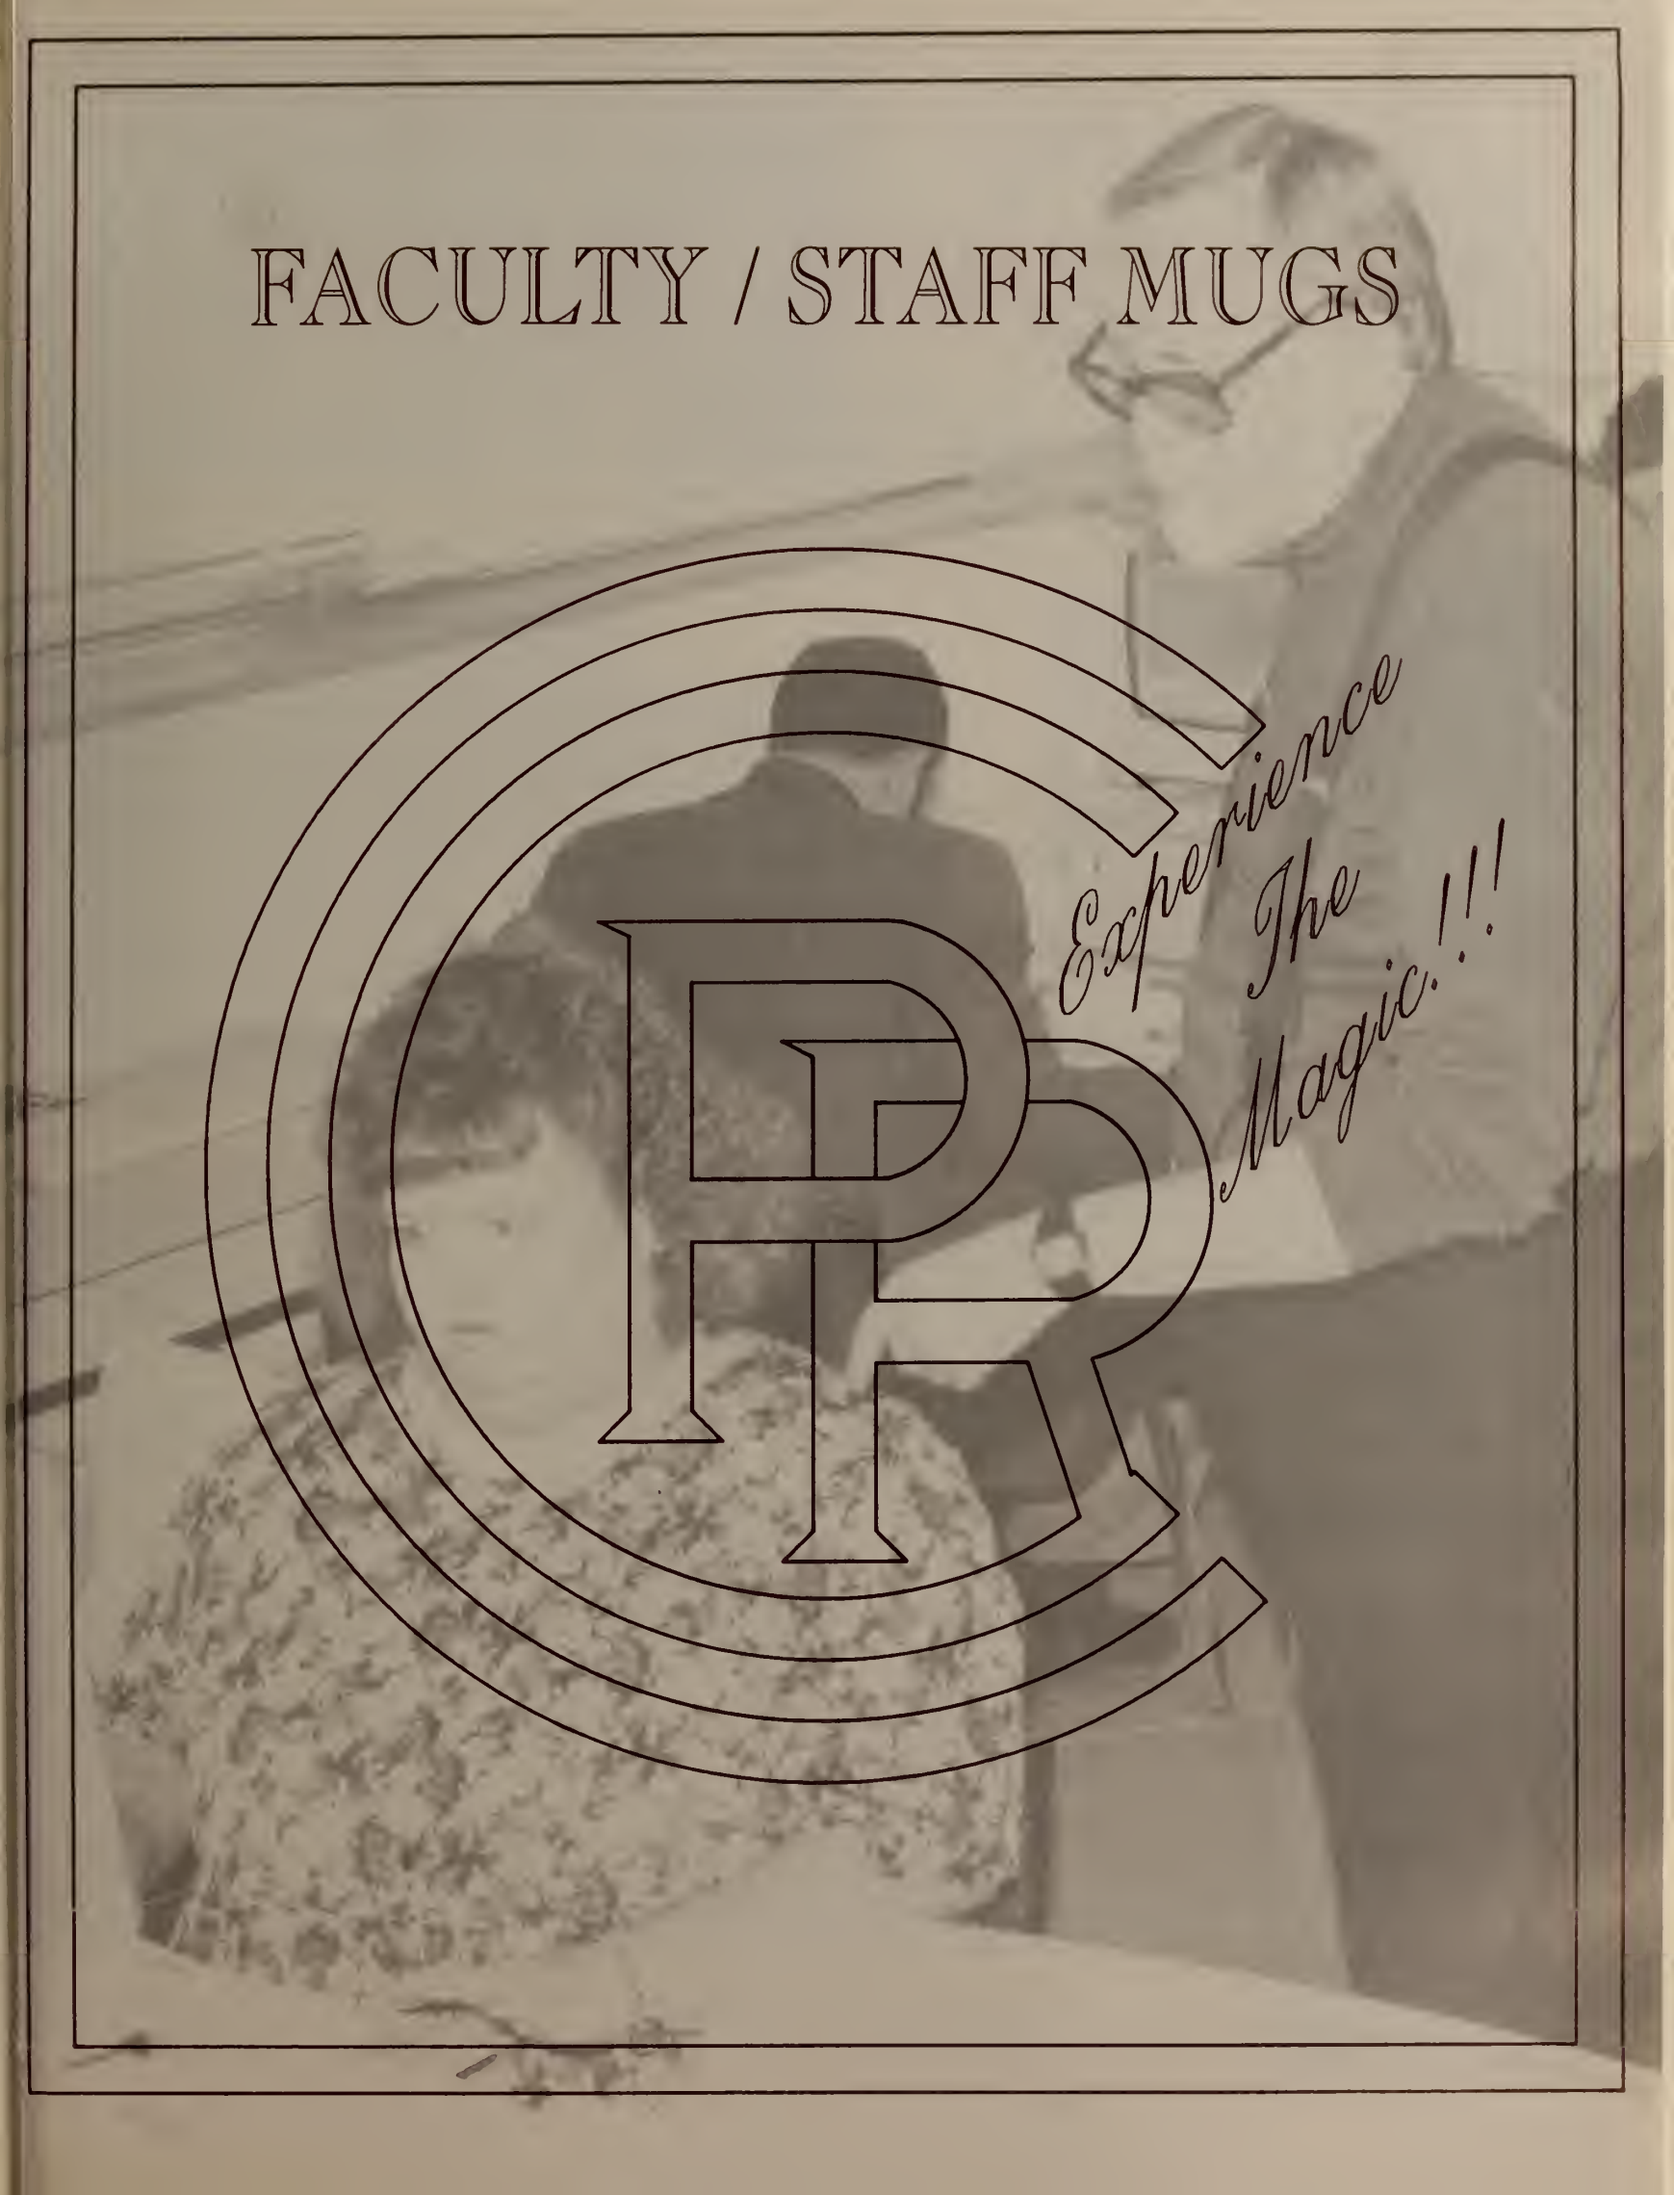
FACULTY / STAFF MUGS



A Magical Spotlight on Faculty/Staff

Janis Williams and Larry Stanford take a moment to pose for the camera.

Marylyn Houston helps two hungry students at The Grill.

Doug Mooney, PRCC Development Foundation Chairman from Pearl River County, and Ott Brockman, Development Foundation Board member from Forrest County and past chairman, discuss the details for the 1994 Extravaganza.

Stacey Reid takes a quick break in the teachers' lounge.

Dr. Larry Tuminello, Physical Therapy Assistant Director and instructor, explains some exercises that students must attempt to understand what obstacles physically handicapped persons experience, such as opening a door in a wheel-chair.

PRCC . . .

Experience the Magic

Barbara Smith, assists students in filling out applications for enrollment, housing and transcript requests.

Larry Stanford and Donna Wilson emcee a football pep rally.

Peggy Dease and Coach Mike Humphreys chat for a moment.

Legislators honored PRCC student Connie Montgomery and science instructor, Norma Hammill, during the annual Higher Education Appreciation Day, Working for Academic Excellence in Jackson. From L are: seated — Montgomery, Hammill and State Rep. Leo Janell; standing — Rep. Herb Frierson, Rep. Mark Formby, Dr. Miller Hammill, Rep. Harry Frierson, Rep. Thomas King, Jr., and Sen. Steven Seale.

Dr. James Sones, Dr. Therrell Myers, and Dr. Ted Alexander were a few of the many faculty on hand to honor PRCC students at the Student Appreciation Day at the Forrest County Center.

PRCC Board of Trustees

Seated are Myrna Bourgeois, Hancock Superintendent of Education, Sylvia Posey, Pearl River Superintendent of Education. Standing are Billy Floyd Seal, manager of Coast Electric Power Assoc., John Anderson, a Marion county engineer, and Bill Davis, Marion Superintendent of Education.
